"Chan conjures cinematic imagery...evocative"

—James Hule, DownBeat

ALAN CHAN JAZZ ORCHESTRA

SUNDAY, 5/17/2015, 7 pm | Gateway Performance Series | West LA

A creative journey brought to you by composer/bandleader Alan Chan and his top-notch 17-piece big band, this concert features original compositions and arrangements inspired by children's themes. Besides improvisations on their instruments, musicians will be trying out toy instruments, as well as claps and shouts.
