## ALAN CHAN JAZZ ORCHESTRA

**Monday, 8/4/2014, 7:30 pm | ShapeShifterLab, Gowanus, Brooklyn, NY**

ACJO release their SHRIMP TALE debut album, recorded with 20 of the top Los Angeles musicians in 2013. Yet Alan's creativity for big band music began to flourish in the last 5 years at his Gowanus studio, where many of his genre-shaking tunes were composed. To celebrate this occasion, Alan is forming his East Coast band for the first time, right in his beloved Brooklyn neighborhood!
